A BILL FOR

An Act to amend Section four hundred fifty-five point seventy-two (455.72) Code 1946, relating to re-classification in drainage districts.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Amend Section four hundred fifty-five point
2 seventy-two (455.72) Code 1946, by adding a new paragraph
3 thereto, as follows:
4 “When a public road or highway, or railroad right of way,
5 is established within the boundary of said district subsequent
6 to the adoption of the existing classification of said district,
7 and the board of supervisors, or board of drainage trustees,
8 if said district is under the management of trustees, finds
9 no good reason for a general re-classification of the whole
10 district, then said board may appoint such a commission to
11 assess benefits and apportion costs to such rights of way
12 without a reclassification of the other property in said district.”
